## Webinar and Panel Discussion on Road Safety Organized jointly by Computer Society of India Lucknow Chapter with Amity Institute of Information Technology, Amity University Uttar Pradesh Lucknow Campus on 18th February 2021

Reported by: Dr. Pankaj K. Goswami

To Commemorate the National Road Safety Month, a Webinar and Panel Discussion on “**Role of Information Technology to Enhance the Road Safety**” was organized by Amity Institute of Information Technology, Amity University, Lucknow Campus in association with Computer Society of India, Lucknow Chapter, on 18<sup>th</sup> February 2021 (Thursday). More than 300 participants were connected online including students and faculty of Amity University and members of Computer Society of India.

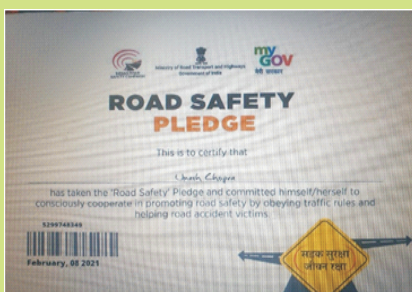

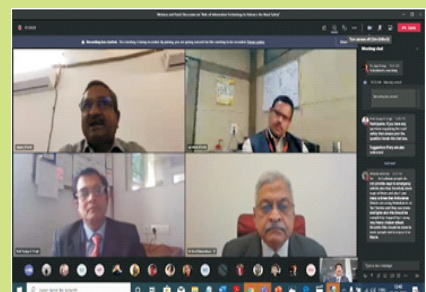

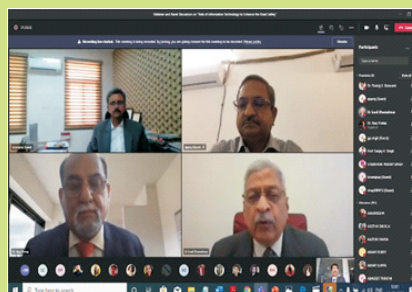

The inaugural address was given by **Shri Dheeraj Sahu (IAS), Transport Commissioner and MD UPSRTC**, Uttar Pradesh, enlightening the road safety and solutions to minimize road accidents. It was observed the fall of road accident up to 15% as compared to the last year. Fifty percent of deaths were recorded amongst young age persons. As an initiative, the instant Challan-System has been implemented in case of over-speeding. The Government is using Mobile apps actively for vehicle crash management and data collection.

Prof. (Dr.) Sunil Dhaneshwar, Pro-Vice-Chancellor, Amity University Lucknow Campus, in his address emphasized about rules of road safety and their strict enforcement. He also advised the participants to follow traffic rules while moving on the road. The Government should use drones to intelligently monitor road safety issues.

The panel discussion was coordinated by Dr. Pankaj K. Goswami and invited panelists **Shri G. P. Singh, STD & Additional SIO, NIC UP** and **Shri Ajay Gangwar, Superintending Engineer, PWD**. It was brought out during the panel discussion that the proper use of the technology and enforcement of traffic rules will reduce the accidents rate by fifty percent in India by 2030.

The vote of thanks and closing remarks were given by Brig. Umesh K. Chopra, Director, Amity Institute of Information Technology, Lucknow Campus. He said Information Technology plus enforcement of traffic discipline should be implemented to improve and bring a substantial change in the traffic sense.

The event ended on a positive note and a pledge towards the adaptation of road safety measures more effectively.
